6 th Grade Mathematics					
1 st	2 nd	3 rd	4 th	5 th	6 th
Jan 21 - Jan 25	Jan 28 - Feb 1	Feb 4 - Feb 8	Feb 11 - Feb 15	Feb 18 - Feb 22	Feb 25 - Feb 29
Holiday	Circumference	Area - parallelograms	Area applications - include missing pieces	Volume - rectangular prism	Angle Classification and Properties
Time and temperature applications	Circumference	Area - triangles	Area applications - include missing pieces	Volume - rectangular prism	Angle Properties within Triangles and Quadrilaterals
Review/Reteach	Circumference	Area - triangles	Review/Reteach	Volume - rectangular prism	Angle Properties within Triangles and Quadrilaterals
Perimeter	Review/Reteach	Area - trapezoids	Test	Angle Measures (using protractors)	Review/Reteach
Perimeter	Test	Area applications - include missing pieces	Review/Reteach	Angle Classification and Properties	Last Day 4 th Six Weeks Test
