

MEDIA RELEASE FORM 2010-2011

Throughout the school year, North Forest ISD personnel and/or Houston-area broadcast or print media representatives have a need for photographs, videotapes, audiotapes and interviews with students.

These items are used for district video, website and publications, as well as news coverage. Texas Education Code 26.009 does not require school districts to get permission from parents or guardians if video, audio and photographs are used for purposes related to extracurricular activities, safety and regular classroom instruction or for media coverage of the school. However, if for any reason you do not want your child's photograph, videotape recording or audio recording to be used for school district use or by news representatives, please check the appropriate box.

Yes, North Forest ISD personnel and/or reporters from Houston area media outlets have my permission to photograph, videotape or audiotape my son/daughter/ward to be used for educational or informational purposes.

No, North Forest ISD personnel and/or reporters from Houston area media outlets **do not** have my permission to photograph, videotape or audiotape my son/daughter/ward to be used for educational or informational purposes.
